For Immediate Release 15 August 2016

EVR Holdings plc

("EVR" or the "Company")

Statement re share price movement

EVR Holdings (AIM: EVRH), a creator of virtual reality content, notes the increase in the Company's share price over the past few weeks, and can confirm it knows of no specific reason for the increase.

The Company expects to publish its interim results covering the period to 30 June 2016 on or around 5 September 2016. The Company continues to pursue the strategy set out in its admission document dated 27 April 2016. An update on developments since the publication of the Company's admission document will be provided at the time the interim results are published.
